

# Indriya Engineering Pvt. Ltd.

*Engineering your dreams ...*

## COMPANY PROFILE

[www.indriyaengineering.com](http://www.indriyaengineering.com)

# About us

Indriya Engineering have started its operation in 1<sup>st</sup> June 2012 as a partnership firm specialized in providing solutions for CCTV, Access Controls, Fire Suppression and Detection Alarm Systems and Annual Maintenance Contracts. Later the company was registered as Private limited company under the Companies Act, 1951. It has a significant presence in Kerala, with Head office at Kannur and Branches in Ernakulum, Calicut and Trivandrum.

We specialize in Consultation, Design and Installation of turnkey Fire Fighting projects and obtaining of NOCs from Fire Departments. We also undertake AMC contracts.

Our expertise includes Fire Fighting Systems such as :

- Fire Suppression Systems - Wet Riser, Downcomer System, Sprinkler Systems, CO<sub>2</sub> Flooding System, FM 200 Systems.
- Detection Systems – Fire Alarm, Public Address System, Smoke Detection System, Panic System, Burglar Alarm System, CCTV, Access Control Systems, etc.
- Supply of Wooden and Steel Fire Doors, Fire Towel, Fire Retardants.
